Best Sellers Rank: #25,725 in Books (See Top 100 in Books) #18 in [Books > Medical Books > Psychology > Occupational & Organizational](#) #84 in [Books > Business & Money > Business Culture > Workplace Culture](#) #764 in [Books > Textbooks > Social Sciences > Psychology](#)

Customer Reviews

Psychology Applied to Work

The 10th edition of this book is actually much better than the 11th (I bought both for my I/O PSY class). Chapters 9-13 are particularly insightful. I sold my 11th edition but will be keeping the 10th. The 10th edition is also the last edition written solely by Muchinsky, before his death last year. Sadly, the 11th edition deletes a lot of Muchinsky's personal insights. His insights about teams and teamwork from Chapter 9, in particular, can easily be applied to other "teams," such as families. A great book for any psychologist, not just I/O psychologists.

Instead of paying a million dollars to buy this book from the college to help complete her master's degree in workplace psychology (or something to that nature) I decided to rent this book out from for my precious wife-to-be. Her boss read some of it and totally "geeked out" over it. I'd venture to say that it's a great book at a great price. She is thinking of actually keeping it, and since she'll probably be paying most of our bills someday, I might just give in! I have yet to read any of it but she has given it some rave reviews. If HR is your thing, pull up a seat by the fireside and check it out :)

I thought I was buying a new book. The one that arrived had stickers on it like it had been in a

library. Not only that, but the binding was broken. The text itself is good, but the condition of the book itself falls greatly short of the mark. I feel like I have been fleeced.

Well organized, easy to follow, and the chapters aren't padded with unnecessary length. Easier to read than some other psych texts and very relatable.

This was not an easy read.

Product was exactly as described and arrived quickly!

The book came in great shape and was an awesome deal for my budget!!

Ended up returning this after I switched classes, but it seemed pretty decent.
