"A funny, heart breaking and suspense filled journey of self-discovery." -OBSESSION IS A BOOKEXTREME RISK (Book 1) Can two broken people make each other whole? For attorney Hindley Hagen, life is all about staying one step ahead of the game. Avoiding surprises and keeping people at a distance is the only way she can protect herself from the painful scars of her past. As legal counsel and sports agent to some of the world's top athletes, she's always ready for a challenge. But when her new client struts in, his familiar blue eyes bore through her facade and threaten her well-planned life. Keeping all his secrets is now her new profession, but if he discovers hers, she might lose everything. Pro extreme sports athlete Rory Gregor knows what it's like to be on top. But after two years of bad decisions and one-night-stands, he's forced to make a comeback he never anticipated. His team may think a new sports agent will rebuild his career, but what if she costs him his heart in the process? Just when Rory is poised for a comeback, secrets from his past threaten to ruin his chance for gold and a new love. In the world of extreme sports, sometimes you have to risk it all to win. EXTREME DEVOTION (Book 2) For the first time in her life, Hindley Hagen has found unconditional love. She's worked hard to help pro athlete, Rory Gregor rebuild his reputation. This time, he's won more than just a gold medal, he's captured her heart. But now she's trapped, caught in the snare of a different man playing a deadly game. She must choose to protect the one man who's made her come alive or risk losing everything she's worked hard for, including him. Trust isn't something that comes naturally to Rory Gregor. Even his achievements as a multi-gold medalist can't wash away the insecurities from an abusive childhood. Hindley's devotion has given him hope, but he still feels unworthy of her love. As their need to protect one another grows to escalating heights with deadly consequences, will Hindley and Rory finally find the future together they deserve? Or will they discover the one thing that could destroy them both is each other? EXTREME SACRIFICE (Book 3) Do opposites really attract? Dana Di Grazio is fearless and feisty but struggling to find her purpose in life. Hiding behind a hardened exterior, she's erected walls to protect herself from the devastating losses of her past. When thrust into the role of caretaker for pro motocross rider, Peter Fontenot, she must sacrifice her own boundaries in order to care for him. Fear soon sets in when Dana realizes Peter may be the first man capable of breaking down her walls. When a motorcycle accident forces extreme sports champion, Peter Fontenot to rely on a foul-mouthed, Italian spitfire, he's surprised to find himself drawn to someone so crass and ill-suited. Dana is the one thing he doesn't want, but the only thing he can't live without. EXTREME TRUST (Book 4) Dana Di Grazio has

overcome emotional and physical pain all her life. After weeks of caring for injured motocross rider, Peter Fontenot, she slowly learned to trust again. But when the man she's given her heart to storms out of her life with no excuses, she's left feeling abandoned and alone, unworthy of love. Motocross rider, Peter Fontenot, is faced with a choice to stay with the one woman who's captured his heart or fulfill his family's unreasonable obligations. When a ghost from his past threatens Dana's life in unimaginable ways, will Peter be able to reconcile with his family in order to save her? Or will his declaration of love be too late?

Oh my gosh and all that is holy.... this series is by far one of the best I've ever had the privilege of reading, thank you to my wonderful Sister for recommending this series! Kay Manis is definitely a brilliant author, her stories and characters are believable and lovable! The first two books are about the Skater Boy, Rory Gregor and Drunk Girl Hindley Hagen....they were just so much fun to read

and these two characters and their story took you on a journey of lust, love, hate, crazy and finally a HEA!!! It was GREAT! The next two books were all about sweet Moto Boy Peter Fontenot and feisty Dana Di Grazio, wow these two really gave us a run for our money.... you wanted them to get together but they really had to work at breaking down some barriers that they both had...I was so happy when their story came together in the 4th book but damn they really did have a helleva time getting there! These two have a love so strong and emotional that it makes anyone reading their story want that for themselves!!! These are just really great books and I promise if your reading this and you love great characters and stories get these books now, you won't be disappointed!!!! Can't wait for book 5!!!

Fan-fucking-tastic! Yes I said it and I mean it! Best series I've read in a long time! Starting off with Rory and Hindley, I was captivated by their story...great writing! Then on to Peter and Dana...Awesome awesome...the writing was amazing. Kay Manis did a fantastic job telling stories that all readers can relate to. Real life situations with tears and laughter. I cannot wait until book 5 comes out will definitely read it. This is a must read series...I'm not giving anything away...read it...you'll love it!!

Theses stories where just amazing. I loved them all. I thought it was going to be teen bop skater boy/moto boy Hell No it was H.O.T HOT wow so glad I gave in to these. Dana is my girl she cracks me up. Hindley straightlaced walk the line. Totally a badgirl on the inside. I loved how she was with Rory. Just amazes me how there are still people like Rory in real life. I couldnt help but cheer him on. The whole Journal thing was so sweet. Now Dana my sailor talking crude,rude badgirl with a heart of gold. Once you found out her story in Motoboy you couldnt help but feel her pain. I liked how her and Peter met funny. Those 2 man the spark between them 2 just on fire. Peter just so out of his element good boy meets badgirl just perfect set up. Unlike Hindley is the goodgirl meets badboy Rory. Great read

I loved this series. I didn't think it could get any better , but it just kept getting better and better.. Each two books jaded up one story . The stories also went together and included love , sex , family , friends , drama and some very bad people .

Talk about bang for your buck. I read a lot and I tear through titles super quick but with this series I felt like I got to really visit the world Ms. Manis created. An entertaining series that I'll be continuing

with My Snow Boy. Picked up books 1-4 on special, value for money.

There was a well written four books that has just the right amount of adventure and excitement with twists of mystery tossed in.

I stumbled across the first book in this series for free. When I finished it, I just had to purchase the boxed set. It's hot, funny, and sweet. A perfect combination.

Great Xtreme sports series! Each of the books is intriguing with likable characters overcoming massive obstacles to be together. Loved it!
