Jean-François Kieffer is a Deacon and father of four children. Born in France in 1957, he has been an award-winning writer and illustrator of children's works for many years.

Great book. Waited a long time for Volume 4 after the first three volumes. Wonderful moral teaching in a fun environment for kids. My 6 to 12 year old's love the book. Waiting eagerly for Volume 5 to be translated from the French (if that happens). For the price, the binding and pages are fantastic quality.

Love these graphic stories for my grandkids. It encourages reading and the pictures help cue the younger readers if they have difficulty with the words. Lupio has a lot to teach us about the life of his friend St. Francis. An easy way to teach virtue and reading skills! I hope there will be more books in the series.
