Jon Courson's Application Commentary: New Testament

Synopsis

The evangelical pastor, Jon Courson, founded the Applegate Christian Fellowship in Southern Oregon. What started as a home fellowship of a few is now the home church for over 10,000 people. In 2002, he left Oregon to assist Pastor Chuck Smith at the 25,000-member Calvary Chapel in Costa Mesa, California. Courson has amassed more than 1,500 teachings in an expositional style. Jon Courson's Application Commentary will combine a verse-by-verse teaching of every paragraph of Scripture with practical topical studies throughout. This New Testament commentary is a unique blend of information and inspiration presented in a way unique to Jon Courson. With more than 1,200 Calvary Chapels in the U.S. and 2,500 worldwide, Jon Courson delivers with fresh, new insights into the Bible.

Customer Reviews

I was looking for a good bible study. I wanted something that would align with what I believe and just focus on the scriptures. This commentary is exactly that. Jon does a nice job breaking things down in an easy to understand format without focusing too much on his own opinion. My pastor even recommended this to me so I knew I could trust it. I LOVE this commentary!

I use-to teach ... and this study guide is by far the best compilation (3 volumes) I've read and used. Anyone attempting to understand the Bible for what ever the reason will surely find the commentaries useful and accurate. The simplicity of the vernacular is impeccable. I have all three

volumes which is an excellent addition to my library. I have painstakingly cross referenced and tested the comments ... they all came back five by five.

I finished this and am now starting Mr. Courson's Old Testament study. This is a great commentary for both new and mature Christians. The plain spoken approach Mr. Courson uses in explaining scripture and applying it through his anecdotes is superb. I've learned a lot more about the Bible, its historical context, and what it means to follow my Lord Jesus. Amen!

I have all 3 volumes on kindle app of my mini iPad so they are always with me, and they are excellent. I help lead an ongoing ladies Bible study and love all the extra information. Jon has a great sense of humor and I love the way he explains things and the examples he gives. Book is laid out book by book, then chapter by chapter. So you can find help with any scripture you are reading. These books came recommended to me by a dear friend and she was right.

The reader walks the land with Jesus through the Gospels, as he devours the commentaries. It may be the next best thing to actually going to the Holy Land, which my wife and I did 42 years ago. The Gospels are definitely a ministry "journey with Jesus". Courson has the ability to transport one into Christ's life and times. Jon Courson's three Application Commentaries are becoming my Bible of choice to read and study. It is too bad they are not in a leather bound edition. His commentary in the Pauline Epistles simplifies the reader's understanding, especially in the lengthy multi-subject sentences of Paul's deep doctrinal writing style. The other writers are justly handled as well. I highly recommend getting all three volumes.

My friend had one of these hardback and I decided that I'd like it on kindle because then I could write notes and highlight in it--PLUS it's a little cheaper and not as heavy (it's a big, bulky book). But unfortunately, my kindle battery died. I ordered a new one and they said they don't make batteries for my model anymore!! Shock. Well, I downloaded the Kindle PC version and now I can still access my books on my pc. I know this is off the subject of the commentary. Sorry. You need to know that it's an Application Commentary; how to apply scripture to your life--not so much a hermanutical or histological study of the scriptures. Great insights and lots of his stories. Love it, although Pastor Jon is much better to listen to in person!

I not only have a hard copy of Courson's commentary but bought it for my Kindle so I could always

have it at hand. Some Commentaries are drawn out and hard to understand. Jon wrote easy to understand comments so anyone could say "I got it." I have 2 other commentaries and get bogged down with all the big words and long explanations. Jon's commentary is for people who do not have a PHD in Divinity. I can hardly wait for his OT to be available for my Kindle. Why did I buy Courson's Commentary? I have listened to his sermons on radio for years and enjoyed his teachings. I had faith that his commentary would be good.

I enjoy Jon's style of writing. I sat under his teaching both at church and the radio ministry, and he always keeps you focused on Jesus. He uses numerous examples, both from text and personal experiences, to help clarify and understand certain passages. He articulates well and expresses a solid command of the English language. He knows the Word and sheds much light throughout the book. I do use it as my daily devotional, and have for many years, as well as a study resource for class. I would definitely recommend this commentary and have, for daily reading, or for an additional study resource.
