What a fun book! My son got this for Christmas and it has been a nightly favorite! The best was when he read it with his grandpa. Great quality book with fun pictures. The choices are a lot of fun too. I found myself reading it after my son went to bed. So much fun!

When I was a little girl we used to read these wide eyed until we reach the ending! Unsatisfied, I'd start all over again and do another story, and another story, until I've exhausted all possibilities. Sometimes, my sister would accuse me that I peek at the endings. Lol. That was 30 years ago. Now I bought it for my 6 year old son hoping he will catch the fervor I had for these books, I never wanted to put these books down!

My granddaughters are 9 & 10 and really liked this book. The 9 yr old couldn't decide on a path to take so she read them all! If it gets them reading, I'm all for it

My 6 year old loves loves loves these "Choose Your Own Adventure" books. This zombie one is fun (not scary). We have a fun time reading it together and rereading with different endings.

8 year old granddaughter read the book to her 5 year old sister and both girls loved it.

My 7 year old grandson loves this book.

My son is 4 and asks me to read this everyday. He loves his grandparents and he loves zombies, so that might be why. Lol! There aren't a lot of options like other reviews state, but it's cute.

My 5 and almost 7 year old enjoyed this book. We have read it more than once to try out different scenarios. I should have looked at the pages though because I thought this was going to be more like a chapter book.
