Rick Steves' Germany And Austria 2008

Synopsis

Who but Rick Steves can tell travelers how to take the Do-It-Yourself Dresden Baroque Blitz Tour or the Short and Scenic Black Forest Joyride? With Rick Steves's Germany and Austria 2008, travelers can experience Steves' favorite destinations in Munich, Bavaria, Baden-Baden, Rothenburg, Würzburg, Frankfurt, the Rhine Valley, Dresden, Berlin, Vienna, and the Danube Valley — economically and hassle-free. Completely revised and updated, this guide includes opinionated coverage of both famous and lesser-known sights, friendly places to eat and sleep, suggested day plans, walking tours and trip itineraries, and clear instructions for smooth travel anywhere by car, train, or foot. America's number one authority on travel to Europe, Steves' time-tested recommendations for safe and enjoyable travel in Europe have been used by millions of Americans in search of their own unique European travel experience.

Customer Reviews

Rick Steves is on a mission: to help make European travel accessible and meaningful for Americans. Rick has spent 100 days every year since 1973 exploring Europe. He's researched and written 24 travel guidebooks and hosts the public television series Rick Steves' Europe, now in its seventh season. He also organizes and leads tours of Europe and offers an information-packed website (www.ricksteves.com). Rick lives in Edmonds, WA, just north of Seattle, with his family.

I love this book! It is very thorough on the major destinations' history and sights. It thoroughly

explains things such as how to take the subway, how to interact with the waiter, and how to see the Opera cheaply. It has small black & white photos throughout which help give a feel for a place before you actually get there. He gives very detailed instructions on how to get around, even within a place such as Vienna's Kunsthistorisches Museum. I will be on an escorted tour but now I know that I could have planned my own trip with this book. I recommend borrowing one of "Rick Steves' Europe 2000-2007" DVDs from your library to see if you like Rick's style. (Don't miss the "Travel Skills" DVD!) Rick's books and DVDs are clearly aimed at Americans, so others will most likely prefer other guidebooks. Rick has clear preferences on where to go, so if you already know which cities and towns you will be visiting, be sure to use the "Search Inside" feature to look at the Table of Contents to be sure all your places are covered in this book. When briefly offered the 2007 version for \$4.99, I jumped on it. I cut that one into cities for carrying around while sightseeing, because the sightseeing details are so good, and the history shouldn't change much!

An older version but still very useful for planning.

Like his very early books when he traveled solo and more backpacker style.

Bezos please get your butt out of politics

We used this guidebook for a week-long driving trip through Baden-Wurttemberg and Bayern (Bavaria). The recommended hotels were fabulous, and the descriptions of tourist stops were accurate. Had it not been for this book we would have missed some of the best stops on our trip. Use this book and get out of the cities! You'll discover the REAL Germany.

Book was in excellent condition and what a savings!

The tour book is very good. It provides enough detail and much needed opinions of tourist spots. However, I also purchased the map which accompanies the book and was disappointed in the lack of detail.

This little book went everywhere with us and was very helpful. It's one of the best European guidebooks out there on Germany and Austria
