# Conquering The Countess: A BDSM Historical Romance (Cavern Of Pleasures Book 2)

## Synopsis

Can a notorious rake seduce the ice mistress? Advisory: This erotic historical romance contains light BDSM elements and submissive training. If you like your heat "wickedly hot" with bad boy rakes, then dare to enter the Cavern of Pleasures. Married to the unfaithful Earl of Lowry and scorned by her in-laws for not producing an heir for the earldom, Gertrude "Gertie" Farrington takes out her frustrations in the masked underground world of Madame Botreaux's Cavern of Pleasures. Concealing her identity there as 'Lady Athena,' Gertie is a domineering mistress with a peculiar propensity: she never allows a submissive to bring her to climax. Back from years of exile after a scandalous duel, Lord Phineas Barclay, a notorious rake and seducer of women, becomes instantly intrigued by the Lady Athena on a visit to the Cavern of Pleasures. He poses as a submissive with the intention of seducing the icy mistress and uncovering her true identity. As the Countess of Lowry, Gertie wants nothing to do with Phineas Barclay - a debaucher at best, and a murderer at worst. So why does she find herself hot and flustered in his presence? Phineas Barclay finds himself strangely drawn to the Countess, but every step forward with her seems to be followed by a step backward with the Lady Athena. Which woman will he choose to focus his seduction upon - or is it possible to conquer both Lady Athena and the Countess? Recommended but not required prequel: "Lord Barclay's Seduction."

## Customer Reviews

Lady Athena takes her place in Madame Botreaux's Cavern of Pleasure, she is renowned as a dominating mistress, she has never allowed any submissive to bring her to completion. She is married to a man that makes no secret of his dalliances with numerous women. Throughout her married life she has allowed her to be ridiculed by his family for the non-production of an Heir. In her masked disguise, she is able to ensure that she is in complete control of the ministrations of the submissive she take on for the night. One night into the Cavern of Pleasure Lord Phineas Barclay is intrigued by Lady Athena's reputation and wants to discover if he is able to seduce her and in doing so discover who this lady of mystery is? This was a wonderful addition to the story of "Gertie", Lady Athena as she endeavours to find love, happiness and seduction. If ever a woman deserves to find her little bit of happiness it is her and he believes he is the man, man enough to do it!!!!!! I recommend this book to all readers that enjoy a certain amount of naughtiness with their love and pleasure, the rich and titled often believed that they were so much better than untitled, however their needs are very much the same. I enjoyed the book and look forward to reading any future publications; keep up all the great writing.

I received an advance reader copy in exchange for a fair review. Another hit by Brown. In the beginning Phineas and Gertie come together in the Cavern of Pleasures without knowing the other's identity. After spending one evening with her, Phineas is intrigued enough to want to find out her true identity. Gertie's husband wants nothing to do with her and he and his family constantly put her down. Only in the Cavern is she ever in control and she refuses to allow any man to dominate her there. Events happen and they find themselves alone for three days at a country inn during a rain storm, and there they explore their sexual need and desire for each other. This quickly grows into love and they do have a HEA. This story is very romantic and sexually charged. I would highly recommend it as you will not be disappointed.

Em Brown does it again! I have yet to be disappointed by anything written by Em, she is an incredible storyteller, crafting stories of characters who are flawed but strong, sexy, smart and beautiful in their imperfections. In the interest of transparency, this book is naughty and depicts scenes of light to slight BDSM aspects so if this makes you squeamish than maybe this isn't the book for you but if you like a little naughty in your characters than stop and don't go any further because you have found the author for you!! Em Brown has this in spades!! I gave this book 5 stars but it deserves so much more! Gertrude "Gertie" is married to an unfaithful Earl and finds a much deserved outlet for herself. Lord Phineas is a scandalized noble but together they find mutual attraction and.....well, no spoilers here, sorry. This is a book only disappointed me in one aspect, it ended! I love this series and can NOT wait to see who gets Em's "treatment" next. But for now, I think I will have to go back and reread this book and the first one in the series, Mastering the Marchioness, so worth the reread!! Bravo Em!! Bravo!

Married to the unfaithful Earl of Lowry and scorned by her in-laws for not producing an heir she goes to the underground club that is called Madame Botreaux's Cavern of Pleasures she hides her identity and becomes Lady Athena a domme and does not let her submissive give her any orgasm but she meets the rake and playboy Lord Phineas Barclay and he wants her very much so he goes undercover as a submissive and makes Lady Athena very nervous as both the Countess and Lady Athena so good and funny and hot and sexy read and you feel like you are in the book I voluntarily reviewed an advanced reader copy of this book. When I started reading I couldn't put it down.

How the mighty fall. I have read several of Ms. Brown's books and this is one of my favorites. Phineas and Gertie are wonderfully written characters showing their vulnerability and

compassion. The scene in the orphanage was my favorite in the book. How can you not love both Phineas and Gertie after that scene? There are quite a lot of emotions that leave you with the feeling that maybe, just maybe, it would not work out. But as we all know, an HEA was on the horizon. I was gifted a copy by the author for an honest review.

I loved this steamy historical romance. Em Brown really knows how to write hot, sexy characters who often don't know what they need or how to find it. There is drama along the way and some surprises to get the characters where they need to be. The ending is extremely satisfying. If you like sexy, historical romance, and you're not afraid of a little naughtiness/light BDSM, you will love this book. I received a complimentary ARC of this book from the author. This is my voluntary, honest review.
