## Synopsis

Out for an afternoon in Green Park, Lord Standish is alarmed to find Miss Langsdale, his friend's nineteen year old Ward, engaging in a dangerous solo ride. He rescues her, only to discover that she is in the Park without her Guardian's permission. Lord Standish decides to give his friend's Ward a stinging lesson in the public park to ensure that she doesn't engage in such future foolishness. Charlotte understands that she will be subject to further correction from her Guardian when she is back at Wycombe House, and she can expect to be wearing considerably less clothing for it. Is it any wonder that Lord Standish doesn't seem to be planning on leaving that quickly? Charlotte Langsdale has spent plenty of time over her Guardian's knee, but she has never been disciplined by two handsome and firm men before. And does Lord Standish intend to stay for the usual aprÃ¢fÃ¢s-spanking activities? Two devilishly attractive older men, and one very naughty lady. There's a leather ottoman that just might get a LOT of use. Expect steam, banter, firm hands, and some thoroughly debauched lessons on womanhood. This is book 2 in the Infernalis Club series, but it can also be read as a very satisfying standalone. All characters are adults aged 18 and older.
