# Little Flower: Recipes From The Cafe

## Synopsis

Chosen by Food52.com as one of the 16 best cookbooks of 2012, Little Flower showcases the most beloved dishes at Christine Moore's Little Flower cafe in Los Angeles. Her food is artfully simple and powerfully flavorful, and each recipe is accompanied with a vivid full-page photo. The collection focuses on breakfast, lunch, simple supper, and her acclaimed desserts. Celebrated by the Wall Street Journal, Los Angeles Times, and David Lebovitz's Sweet Life in Paris, Little Flower: Recipes from the Cafe makes it possible (and easy) for home cooks to create Moore's Lemon Lentil Soup, Goddess Salad, Buttermilk Pretzel Rolls, Chocolate Caramel Thumbprint Tartlets, and her famed Brown Butter Shortbread, as well as fluffy quiches, vibrant salads, elegant sandwiches, and much more.

## Customer Reviews

“This is a terrific book; it’s full of the kinds of recipes that you know you’re going to cook over and over. There are no extravagant constructions here or even fancy ingredients; there’s just the kind of casual café food that makes even small meals pleasurable.” —Russ Parsons, Los Angeles Times  
“You can’t always have Christine Moore around to explain her perfect blood orange tarts, but Little Flower may be close enough.” —Jonahan Gold, Pulitzer Prize-winning food writer  
“If anyone can convince us to make pumpkin bread pudding with salted caramel sauce in 90-degree weather, it is the woman behind Pasadena’s infamous sea salt caramels.” —Jenn

Christine Moore: Christine Moore is the chef/owner at Little Flower, a cafe and candy-making  
kitchen in Pasadena, CA.Ryan Miller: Ryan Miller is a food and lifestyle photographer in Los  
Angeles.

My husband and I are fortunate in that we live near Pasadena and able to frequent Christine's Little  
Flower Caf  whenever we can. What's special we feel about Little Flower, is that her  
sandwiches are not just a sandwich, they are the best sandwich you have ever eaten. A cookie is  
just not a cookie, it's a cookie you're going to crave the rest of the week. So of course, we were  
delighted to see that a Little Flower Cook Book was available and snapped it up (with a bag of Sea  
Salt Caramels) so we could enjoy our favorites at home too and then run to Zumba to work it all  
off.Our favorite recipes include the Fresh Peas & Pancetta Salad, Brown Rice Bowl and the Green  
Soup. mmmmmmmmm. And, due to my sweet tooth, I am especially partial to the Perfect White  
Cake, Brown Butter Shortbread and Coconut Macaroons.Unlike some gourmet cookbooks where it  
is difficult to understand the instructions and they are often unreliable - I find this cookbook  
refreshingly easy to follow and consistently successful. The kind of successful where you can  
pretend that if you are not already a world famous chef with your own cooking show and licensed  
utensils, you can at least pretend you are or, at the very least that you pen a well respected local  
foodie blog and have a slight French accent - - that is until you inhale your creation after it's  
complete and then have nothing left, not even a crumb or bit of sauce to show for your efforts.The  
only negative here is that your book is unlikely to stay pristine. Mine is already dusted with flour and  
has pages that stick together as are, I am sure, the copies that I give to all my foodie and non-foodie  
friends as Hostess Gifts.

I love it and have already made the brown butter shortbread. The Little Flower Cafe is just around the corner from me and the recipe turned out just as good as what they sell. I would recommend it to any who asked! It arrived in perfect condition, packed carefully.

This book is a treasure everyone must own! I've had the pleasure of eating at Little Flower on a regular basis and I have always been amazed and delighted with everything I've ever tasted. The sweets are beyond drool worthy and don't even get me started on their pretzel rolls and brown butter shortbread - good god (do I hear angels?). Complete heaven I tell you! I've eagerly awaited this book and I'm beyond happy to have a glimpse into the secret world of culinary perfection also known as Little Flower. Well done Christine!!

Wow. Just got the book two days ago. I made a couple of dishes out of it already-the quiche is excellent. Although I cook daily a variety of meals, my family always gives that look of hopelessness when I say I am going to bake. This time- SUCCESS! I have never made a quiche before and it actually turned out very well. I can't recommend this book enough. I was a bit hesitant to order it as it seemed like many other cookbooks in my arsenal. However, after reading the intro (we share some commonalities), I decided to try it out and purchase. Totally worth more than I paid and I will be recommending to friends and family. Well done, Ms. Christine and family!

I've had the privilege of eating at the Little Flower cafe and it is amazing. I love the Green Goddess Salad, and was thrilled to find the recipe in this book. The section on salad dressings alone makes it worth buying. The cookbook has a sweet, simple cover, and just the right number of delicious recipes so that it's not overwhelming, but you definitely get your money's worth. Highly recommend. Good gift for a foodie or anyone who likes to cook.

Original recipes, charming text.

Great cook book!

As promised
