This book is very easy to understand. Great choice for studying!

This study Guide provides the perfect layout for learning the essentials. This is everything you need to succeed. The easy to understand material focuses only on what matters to prevent unnecessary brain burnout. The use of this guide will greatly improve your knowledge and test scores. I recommend this study guide to anyone wanting a guaranteed boost to your study regimen. Amazing!!!!

My boyfriend is studying to be a teacher and he loves this book. Very good for studying. This is also good for getting your GED.

I love how this study guide does way more than give you the information. It makes it very easy to practice what you've learned. Also there are many tips and tricks about test taking in general that help make this the perfect study guide. This will definitely raise your score.

I enjoyed the study guide. There was a lot of valuable content.
