This Girl Named Amber (Seeking Heart Teen Series Book 1)

Synopsis

This Girl Named Amber: Seeking Heart Teen Series, Book One With her sixteenth birthday just three weeks away, Amber Wilson is looking forward to spending one of the last weeks of the summer at Camp Laughing Water, a place she's been to many times before. But from the beginning she has the feeling the week will be anything but ordinary. For one thing, her friend Stacey is coming for the first time, and while she's excited to have her long-time friend along, she wonders if this can be a chance for them to recapture the carefree friendship they once shared, or if spending seven days straight together will drive them further apart. Will Stacey enjoy the week and open her heart to God as Amber has been praying for, or will her efforts to show Stacey she cares turn into a complete disaster? In the midst of trying to be a good friend, dealing with some unpleasant girls in her cabin, and doing her best to get something spiritual out of the week for herself, Amber faces many unexpected moments, including some encounters with a cute guy. Some make her laugh, some make her cry, and some leave her feeling completely dazed. Will she end the week with heartbreak or with a smile on her face and hope in her heart?"For I know the plans I have for you," declares the Lord. "Plans to prosper you and not to harm you. Plans to give you hope and a future...You will seek me and find me when you seek me with all your heart." (Jeremiah 29:11 & 13)*This Girl Named Amber is the first book in the Seeking Heart series and is recommended for girls age 13 and up. Books in this series are meant to be read in sequential order. There are twelve books in the series, as follows: This Girl Named Amber, Nothing But Blue Skies, Raining Down On Me, Hope Wishes And Dreams, What This Girl Wants, To The High Places, You Matter To Me, A Dance To Remember, By Grace I Stand, He Makes Me Smile, What Our God Wants, and Do You Love Me. Melanie Wilber is the author of the Seeking Heart series for teen girls, the Heaven in my Heart and True Friendship series for pre and early teens, and the Pure in Heart and Garden of Love series for older teens and college-age readers. She also authors several devotional books and independent novels.

Customer Reviews

I found this book while downloading kindle books for my young teens. I was looking for a good read with a deeper message, reflecting the values that we believe in, but that will be real at the same time. I just finished reading the book and am impressed! I started to read the book to see what it's all about (there is just so much junk out there!) and read through the book in one sitting. Even though I'm way past my own teen years, the author managed to draw me into the book with believable characters and situations that anyone can identify with. I would definitely recommend this book and am looking forward to download more from the same author.

This book moved me in unspeakable ways. It gave me just the right words from God and undeniably on-point advice. I find that I'm experiencing the same struggles as Amber, spiritually and in everyday life, and I know that God really wanted me to read this book. So much of these words inspired me; I spent half the time highlighting! Thank you, Melanie Wilber, for what you have stirred in me and for what you are bound to stir in your future readers.

I read this book in hopes that I would find something with a good godly message for my daughter. She likes reading stories more than devotionals and most of the books out there for teens do not help them to make the right choices and encourage them in their walk with God. I can't wait to see how she likes it and look over some more books in this series for her to read.

I love summer camp and have read many, many books set at camp. This one was great! It had all

the fun of summer camp and a great message as well about being an example for and the power of praying for friends who are non-believers. It was a fun, light-hearted read. Jenifer Brady, author of the Abby's Camp Days series

I love this book not only because it helps you grow in your spiritual life with God, but it's completely true, I love this book also because my best friend's name is Amber, and I absolutely adore her!!! Love this book!!!!

Teens that have a good relationship with GOD, and that like a little romance! It was one of the best books I have read! Definitely need to make another book!!

You always want to read more! It's funny, at some times serious, and makes you wonder about your faith in God. Can't wait to read the next book!

My 13 year old daughter loved this book!
