Shells Of North Carolina, South Carolina & Georgia: A Beachcomber's Guide To The Atlantic Coast (Common And Notable Species)

Synopsis

"This colorful, educational guide is an excellent resource for identifying the shells, common sea beans and other coastal drift found in beach, bay and related coastal habitats. Great for all ages and is perfect for anyone who enjoys the coastal areas whether briefly visiting the beach to nature enthusiasts and beachcombers. This conveniently sized guide features photographs grouped by color of some of North Carolina/South Carolina/Georgia's common, uncommon and highly sought shelled animals. Other aquatic coastal animals are also included, plus important information about the wrack line and the coastal drift treasures hidden there. Common and scientific names, shell ranges, maximum sizes, and other features are described in this guide. Field identification assistance and educational tips are also presented. This pocket-sized, 12-panel, laminated, waterproof guide is great for outdoor coastal experiences."

ISBN-13: 978-1936913244

Product Dimensions: 9 x 4 x 0.3 inches

Shipping Weight: 1.6 ounces (View shipping rates and policies)

Average Customer Review: 4.8 out of 5 stars 11 customer reviews

Best Sellers Rank: #370,571 in Books (See Top 100 in Books) #23 in Books > Science & Math > Biological Sciences > Animals > Seashells #550 in Books > Science & Math > Nature & Ecology > Oceans & Seas #2341 in Books > Science & Math > Nature & Ecology > Fauna

Customer Reviews

This is great! Exactly what I wanted for trips to the NC beaches. Love that I can take it with me on my walks. Has the most common shells and several "rare treasures" as the brochure puts it.

For what it is-- a quick visual guide-- it is excellent. You won't find any uncommon shells in this or exhaustive information. I wanted it as a quick way a five year old can identify shells he finds. And it serves well for that purpose.

Gift for my granddaughter, who vacations with her parents on the Outer Islands. This was a perfect choice because it isn't overwhelming and IS waterproof, therefore a "take along to the beach" guide.

Nearly identical to the FL shell guide.

Great pictures make shell identification easy and laminated in plastic makes for easy use at the beach.

Just excited to get this as we are avid beach goers, great for me and my son to use at the beach!!

perfect for beach shelling vacation

very simple and good
