O'Neill's Music Of Ireland: Over 1,000 Fiddle Tunes

Synopsis

(Music Sales America). Miles Krassen has gathered and re-edited over 1,000 tunes, bringing up to date Capt. Francis O'Neill's famed collection of Irish dance music, airs, jigs, reels, hornpipes, and marches. Includes an introduction on the history of Irish music with tips on playing with an authentic feeling. Features new settings from the playing of Michael Coleman & the Sligo Fiddle Masters.

Customer Reviews

This book is great! Lots of music to play. My only wish is that it was spiral-bound. It doesn't lay flat on the music stand so it's difficult to play and hold the book open. I took it to a copy shop to have a binding put in but it's too long (the binding machine won't handle more than 11 inches). But other than that it's a great book with lots of different aires to play.

No matter how little or deep you are into learning Irish music, this book is a great resource of tunes collected by the old chief of police of Chicago. If you're ever in town, please stop by and check out Chief O'Neill's Pub on Elston Ave. Along with being decorated with old artifacts of the chief on the walls, they provide great music sessions, concerts, & music workshops.

Great stuff. It's big and easy to read. More tunes than you could ever need. The binding seems to be of high quality. It is mostly monophonic without too many fast position moves or hard stuff. It's

very easy without being boring. You might want something to hold it open though.

great unadulterated music of the back roads of Ireland that is clear and easy to read

A classic - good to have around even though most current session tunes may be too new to have made it in.

Lots of material to work through.

Great book, jumps you straight into some amazing fiddle tunes. I am already a big fan of this book, and will advocate it's use to anyone interested in learning some traditional Celtic fiddle tunes.

Great for an Irish Violinist
