Hugs Daily Inspirations for Women January 1 Hugs of Encouragement Let's see how inventive we can be in encouraging love and helping out. Hebrews 10:24 MSG How many people will you hug today? How many times will you share a smile, a kind word, or a pat on the back? How many times today will you demonstrate by your words and your actions that you are a caring woman? When you feel happy and secure, you may find it easy to share kind words and heartfelt hugs. But when you're discouraged or tired, it may seem difficult to encourage anyone (including yourself). Anna Quindlen correctly observed, "Love is not leisure, it is work." So even on those days when the dog bites or the bee stings, you should be quick to do the "work" required to give and receive love. After all, the world still needs all the hugs it can get. Especially yours. Love is a fruit in season and

within reach of every hand. Mother Teresa

Have bought many of these for friends' birthdays with a bookmark for their special day. All have loved them. Nice smaller size as well. Will most likely purchase more. Would highly recommend.

This book is always a part of my devotions. Hits home so many times. Gave as gifts to my daughters-in-law and they love them.

I purchased this for my college student and she loved it. Helps with the stress of college life

I'm normally not into these schmaltzy sort of books, but after receiving this as a gift, I have to say I really love this. I got the Kindle version so I can keep it with me to read on-the-go. The daily messages often apply, and I even use them in team emails at work on occasion.

Received this as a Christmas present; first reading I knew this would be an everyday addition to my morning prayers, readings. I have purchased four for gifts and each recipient loves it as much as I do.

As advertised

Lovely morning read with a cup of coffee.

Just what I wanted. Easy to read and reflect on daily inspirations.
