## **Customer Reviews**

This is Gershwin's genius in one wonderful volume but I love Gershwin's music I have two song books. Makes you want to dance around the house singing, "I've got music..." Oh yeah, I've got Gershwin!

Book arrived in perfect condition. The music is intermediate level and has been an absolute pleasure to play. Every song in the collection I can immediately call up a memory of a movie I've watched that it was in.

Items as described - fast shipping - thanks!

it just didn;t have enough . there was nothing from the epic " Porgy and Bess"

very pleased with the collection

Exactly what we wanted - great pick.

Great

if you love gershwin you'll love all these songs-some a little unfamiliar.
