# A Pile Of Giggles 2: Clean Acronyms, Puns, And One-Liners...For Teens And Their Families (Family Joke Books) (Volume 2)

## Synopsis

Clean Acronyms, Puns, and One-Liners  
For Teens and Their Families.

“Puns are the highest form of literature.” - Alfred Hitchcock  
“Wit and puns aren’t just decor in the mind; they’re essential signs that the mind knows it’s on, recognizes its own software, can spot the bugs in its own program.” - Adam Gopnik  
We love puns, jokes and silly thoughts.

Everything in this book is clean, silly, and perfect for young teens and their families to tell over and over. Illustrated by children and a mom, this book inspires drawing fun conclusions about each joke. So here’s an idea—grab a cup of milk and a plate of cookies, a drawing pad of paper and some pencils, and see what your imagination comes up with as each pun and joke is shared.

Sent to young man battling cancer for his birthday. He loved these puns..he has a beautiful smile. My hubby and I laughed at some of them before we sent the book off. Great book.

My neice has just been diagnosed with AAL and has been in the hospital for the last 3 weeks. Through all the heartache, when she was finally able to read, this is one of the few things she's

really enjoying. She's been telling the doctors puns from this book. I highly recommend!

Carry it with you to lighten a dreary day! Or lighten someone else's day.

Funny

Nice clean fun. Intelligent jokes and puns.

Granddaughter loved it!
