Customer Reviews

Ellen Brown is the founding food editor of USA Today and has authored the IACP/Seagrams Award-winning Gourmet Gazelle Cookbook, along with six other cookbooks. She is also the author of The Complete Idiot's Guide® to Smoothies, The Complete Idiot's Guide® to Slow Cooker Cooking, The Complete Idiot's Guide® to Cover and Bake Meals, and The Complete Idiot's Guide® to Cooking with Mixes.

I ordered this book first to give to my daughters. Then I wondered about some of the other fondue books out there. So I ordered 3 more used fondue cookbooks by other authors from sellers and read them. They were good, but elements from all of them individually could be found altogether in

"The Complete Idiot's Guide to Fondues and Hot Dips" I would definitely recommend it to all the "fondue novices" out there like me.

bad

Before picking up this book, I didn't know anything about how to make fondue, let alone the difference between ceramic and metal fondue pots. This book gives good background information on the history of fondue and the basics that any fondue pot user needs to know. It explains the difference between the types of fondue pots, when to use each type, and how to use them. The book also includes a large assortment of cheese, hot oil, hot dip, and dessert recipes that sound delicious! I can't wait to pull my fondue pot out and get to it.
