HAWAII BY CRUISE SHIP 3rd Edition: The Complete Guide To Cruising The Hawaiian Islands. Includes Tahiti, Fanning Island And Mainland Ports.

Synopsis

This new edition covers all the islands and attractions that make Hawaii such a great cruising destination. Extensive shore excursion detail and cruise-and-stay options are included as are insider tips on selecting and preparing for your Hawaii cruise. Detailed maps show exactly where the ships dock and locations of leading hotels on Oahu and Maui. Includes tips on shipboard life, activities and cabin selection. The author also gives readers insight into extra expenses and handling gratuities for stewards and waiters. Hawaii By Cruise Ship gives readers a history of the rich Hawaiian culture and how the islands changed with the arrival of Europeans. A section of the book also outlines the wildlife that can be seen in Hawaii and includes a map showing the best whalewatching locations. Over 400 color photographs and dozens of color maps detailing the islands, ports and attractions complement the text. This new edition also includes coverage of the South Pacific and French Polynesia as well as the mainland ports from San Diego and Los Angeles to Vancouver.

Customer Reviews

Great information for my trip.

Useful guidebook to accompany Pride of America. A lot of the various activities change frequently, but as a general guide to what the islands offer, this paperback comes in handy.

Very helpful in planning what to do on the islands we will be visiting. We took the same cruise several years ago and had an older version that we were very happy with. This one isn't that much different but it's helpful when there is so much to see and do.

Just came home after a Hawaiian island Cruise (Pride of America) vacation. This guide was perfect and the excursions/things to do we chose from THIS book were the best memories we made!

Great book if you are going on a cruise. If you want to save money reserve car rentals early for every island and sign up for your own excursions instead of through cruise ship.

We used this prior to our trip to pick out points of interest. But I didn't find it handy as a pocket guide. A little pricey, in my opinion.

just what i was looking for.

Good
