LBB 2: High Guard (Traveller)

Synopsis

The Little Black Books return! Harking back to the original release of Traveller in the 70's, the Little Black Books from Mongoose bring the latest version of Traveller to your gaming table in a handy and collectible size. Command the stars themselves with the most powerful fleets ever assembled. Dedicated to Naval characters, whether actively serving on a frontline warship or semi-retired on a rusting tramp freighter, High Guard expands the possibilities of space combat. With a new and highly evolved starship construction system and a wealth of choices for weapon emplacements and other additions, no captain will want to venture into space without this important manual at his side. Naval characters will also benefit from new career options and choices made during creation that will see them prepared for the worst the galaxy can throw at them.
