Love all Eyewitness travel guides

Plenty of good information! However, the print was very small for all that data and I had to break out a magnifying glass!

I'm on my way there this fall

Made travel a breeze! Easy to read and simple to follow. Bright and colorful photos, maps and displays including a real pull-out map of the area, loved its recommendations for site-seeing,

entertainment and eating. It's also a great historical lesson with every step taken. I have use DK Eyewitness for every trip i've been on. All you need do is to buy the tickets.

Another excellent DK book!

An excellent guide book.

If you are going only to the Amalfi Coast and to Capri, and not spending any time in Naples, this guide book is not for you.

I love the Eyewitness Travel series. It's a little weak on Capri information, but there is a lot on Naples.
