This iLrn program is brilliant for learning a language, it is one of the best on the market when it comes to the aid in learning a language. Colleges use this program very much so it is a very good for learning in college. Try this program to get way better than you have ever thought about the language learning.

excellent. 100% satisfied 10/10 would recommend.

I'm sorry, I cannot figure out how to contact you but I have a question. Is this book for Spanish 122? I took 121 last semester so I'm trying to make sure it's the correct book. The book I need on the USC bookstore ISBN is 9781305420762 and this one is just slightly different but all the information looks the same.
