Gr 3-6-It is a feat worth noting when a children's book survives from generation to generation. The All of a Kind Family books by Sydney Taylor evoke a simpler and gentler time, and have been rediscovered anew since the 1950s. The setting is New York's Lower East Side, teaming with immigrants. The author portrays a loving Jewish family, and paints a rich tapestry of their experiences in pre-World War I America. In All of a Kind Family Downtown (IPG Chicago, 1988 reprint ed.), the five sisters are at the center of their loving family. Their laughter, adventures, and

old-fashioned activities will delight sensitive readers. Suzanne Toren's nuanced reading brings the characters to life. She perfectly captures the voices of the young sisters, and her rendition of the immigrant accents of New York keeps the reading lively. While the story is not gripping by today's standards, children will find themselves captivated by the family's warmth and humor, and fascinated by the details of Jewish life and celebrations at the beginning of the 20th century.-Emily Herman, Mary Lin Elementary School, Atlanta, GA

MORE OF THE ALL OF A KIND FAMILY IS A WONDERFUL BOOK I GOT IT IN THE MAIL TODAY. AND, I HAVE READ ALL READY. I LOVED THE FRIST BOOK ALOT ALSO. I JUST ORDERED THE ALL OF A KIND FAMILY UPTOWN BOOK THREE I WILL FOLLOW THAT WITH BOOKS FOUR AND FIVE THEY ARE REAL FAMILY CLASSICS. AND I LOVE THEM. YOU WILL TOO BUY BUY ALL OF THEM AND READ THEM YOU WILL LOVE THEM LIKE I DO.

My 8 and 11 year old children LOVED this book read aloud to them during our homeschool mornings. We learned a lot about Jewish holidays and just really enjoyed laughing and crying with this family. They want more books with this family!

Read as a kid and our teacher even arranged for Sydney Taylor to visit our class! Excited to find to share with granddaughter !!!! I remember reading the complete series...

I bought it for my granddaughter, It is one of those books I loved as a child and I was happy to see it is still around for me to share with my granddaughter

I read the whole series when I was a child, starting with *All of a Kind Family*, all the way to the last title. They were all fabulous. For the information of potential readers, the library mentioned in the first book, on East Broadway in NYC, is still there, a working library. If you visit NYC you can see it. The books present a picture of the way immigrant families worked hard to become Americans, just as they continue to today.

You will adore these. They are like a lovely, warm cross between the Little House on the Prairie books and the American Girl Rebecca Rubin stories, with a dash of Little Women. They follow the story of a Jewish family with 5 little daughters on the Lower East Side of NYC in the 19-teens, and they are full of wonderful detail about that time and place, including nice, accessible descriptions of Jewish holidays and foods that I am so glad to see in children's literature.

This story is wonderful! It has superior wording and I love the joy it brings me. The adventures of All Of a Kind Family will never get old!
