Fashion: The 1000 Dot-to-Dot Book

Synopsis

Dot-to-dots are hot! Taking this popular medium in a stylish new direction, Canadian artist Rachel Ann Lindsay has created twenty stunning and highly original fashion illustrations, each of 1,000 dots, using the beautiful continuous-line technique she is well known for. Rachel's expressive style adapts perfectly to this subject, resulting in breathtaking designs that evoke the great fashion illustrations of Rene Gruau and Carl Erikson. To increase their beauty further, splashes of color are added to the designs, making the finished artworks an attractive addition to any fashionista's wall. The collection provides hours of satisfying dot-joining and mindful fun, making this a great gift for all fashion addicts or fans of the best in grown-up activity books.
