Full of great stories and little-known facts. I grew up with the Astros but there is a lot here I never knew. Good for long-time fans or those falling in love with the 'stros this season (the more the merrier.) Brian McTaggart knows his stuff and makes it all accessible. Read this now and you'll be ready for the Astros post-season run.

Nice condensed "big picture" history of the Houston ball club. Great reference book. A keeper

Fantastic book. Ordered 1 for me and 1 as a gift. Even better was getting them before release date, made the PERFECT opening day gift for my mother in law. Thanks Brian! Hoping to get it signed soon.

I love this team, after reading 100 Things, my love grew. I wish i could have lived through the 80 and 86 seasons. Brian perfectly captures the love, joy, and heartbreak of the franchise. Here's to the 2017 team, hopefully they add new chapters to a great book.

Loved this book. Grew up in Houston. My childhood in a list of 100 topics. For the long time Astros fan. But also for the die hard baseball fan. History of a team with its own storied tradition often unsung in the larger storied tradition that has been Baseball. Easily followed and worth the read.

Wonderful book for any Astros fan. Fortunately it didn't go to print until after last year's playoffs, so there are plenty of recent exploits included in the book.

No one knows the Astros like Brian McTaggart! He's a lifelong fan that has the honor of covering his hometown team as the mlb.com beat writer. This book is extremely insightful and is perfect for any Astros fan!

Well written book about the history (both good and bad) of the Astros. It was fun to read and brought back many memories of an "Astros Buddy."
