I recently moved to the Houston area from out of state and this has been extremely helpful for finding areas, neighborhoods and destinations within the Houston area.

Great book and informational....bought it for my son who is moving to Houston. He said it was exceptionally helpful.

Great information for my son and his family who are moving to Houston soon.

The book is a bit dated and contains some questionable and not so helpful information. In a city that offers so much, this sticks pretty much to white bread stuff.

Terrible travel guide. Always use Frommers but could not find one. Very disappointed. So frustrated did not use. I'm reselling just to get away from throwing it away!

great. great and good experience. Great looking product, beautifully crafted. Very sharp, good weight, incredible price! fine. the old one has been broke in my family ,
