Wiesel's Night (Cliffs Notes)

Synopsis

The original CliffsNotes study guides offer expert commentary on major themes, plots, characters, literary devices, and historical background. In CliffsNotes on Night, you follow the humanistic first-person account of a teenage boy's incarceration by the Nazi Secret Service in World War II; his experiences in the Auschwitz and Buchenwald death camps; and his struggle to find meaning among the horror. Covering little more than a year of the young narrator's life, this study guide shares a story about endurance, loyalty, and faith—all nurtured by the strength of love. Other features that help you figure out this important work include Life and background of the author, Dr. Elie Wiesel; A list of characters; A historical timeline of Nazi Germany; A review section that tests your knowledge and suggests essay topics; A selected bibliography that leads you to more great resources; Classic literature or modern-day treasure—you'll understand it all with expert information and insight from CliffsNotes study guides.

No Bio

Useful when teaching this book to my high school students. It's helpful to have the background
information we can't always get from the book itself.

I purchased this along with the novel since my grandson is reading this in high school. Perfect
addition for the book.

just what I needed.

Useful when teaching the novel -- helps with the background and history of the Jewish faith.
Powerful tool in English or history class.

I ordered cliff notes for Elie Wiesel's Night and got cliff notes on Fitzgerald's Tender is the Night. I

needed it for English class and now I have to order another one. I hope this time I get what I need.

didn't read the book but my son had to for school. I purchased this so I could use it to help him understand the book and so I wouldn't have to read it also.

Was not impressed with this more involved version of Cliffs Notes. What happen to the very simple basic story line? I should have investigated the content more thoroughly, because my twelve year old granddaughter wasn't pleased with it, nor was I.

Home work - whatever.
