Customer Reviews

A definitive study of the Yangtze craft, complete with carefully detailed scale drawings, the result of the author's research and experience during his 30-year career as a river inspector in China. A lavishly produced volume.

This is the standard English language work on the subject. The author's asides on general Chinese culture may be of interest even for a general audience. The U.S. Naval Institute reprint is beautifully executed.

Hello Skipjack...Received my book today The Junks and Sampans of the Yangtze. This is a collectors item and going to be the perfect Christmas gift for my boyfriend. We own a 55 foot,77,000 pound, Built on the Yantze River Chinese Junk. The gentelman we bought it from told me I had to have this book, so thank you for having it to purchase. It came in a very timely manner, and is more perfect than i thought. It will be a treasure for us forever. FIVE STARS and Happy Holidays....

Worcester was in the River Inspectorate of the Chinese Maritime Customs prior to the Second

World War and became an expert on the the local river craft. This is his most comprehensive book on the subject, with his excellent drawings and calligraphy.
