Synopsis

2017 GIFT IDEAS | COLOURING BOOKS FOR GROWN-UPS | HUMOR #snarkyAF Just because Donald Trump's campaign speeches have inspired an entire line of Swear Word Adult Coloring Books, doesn't mean we need another coloring book with the F-bomb on the cover. Let's combine that anger and negativity, add a cup of sarcasm, a dash of passive aggressiveness, and a sprinkle of sass. Let this simmer on low, deep in your brain, for 20 minutes (or until it glows bright red). Your SNARK is now ready. As with revenge, this dish is best served cold. Popular recipients of this dish include: your boss, your mother in law, your ex, and of course, any telephone customer service representative. Happy Coloring? Shrug. Customer Reviews

I bought this for a military care package, i guess she liked it. I thought it was funny though.

Exactly what i wanted

I bought it as a gift for a friend she absolutely loved it

A fun way to use coloring with markers as a meditation, but with just the right hint of SNARK...so as not to take oneself too seriously! The pages do bleed, however, so the picture beneath the one I was coloring was ruined before I got to play with it..disappointing.

If your sarcastic, this coloring book is for you! Very funny!

This book reminds me of my ex what I will say to him now

really needs a neutral "gift" choice for review so I am not damning an item by faint praise. I did not look at it before giving it as a gift. Filling this out is just to get it off my screen as a nag notice

The pages are cheaply printed. Some have really dark designs, all black so very little to color. I just really am not impressed. Not worth the 7.00
