Tired of the same old tourist traps? Whether you're a visitor or a local looking for something different, let this first edition of Upstate New York Off the Beaten Path show you the Empire State you never knew existed. Get a breathtaking view of the Hudson on the world's longest and highest walkway bridge. Go back in time at Fort Ticonderoga or Old Fort Niagara. Give a toast to the Finger Lakes, one of America's premier wine regions. Get away from it all in the Catskills, the Adirondacks, or Allegheny State Park. So if you've been there, done that one too many times, get off the main road and venture Off the Beaten Path.

This is not about Off the Beaten Path, it's just a copy of the basic tourist guide books from upstate locations. Having been born and raised in Upstate New York (Schoharie County), I would say look

else were if you're trying to show your love and appreciation for all the great things Upstate, this book is not for you.

Cool things to do in and around upstate NY. Was a gift to a friend - they seemed excited to try out all the different destinations.

Great resource for day tripping.

Because I will be visiting Upstate NY for several weeks this summer I wanted a book that provided a wide variety of recommendations. This book does that in spades. It is well written, easy to use and will be a valued resource planning my trip.
