The Action Bible New Testament: God's Redemptive Story (Action Bible Series)

Synopsis

The truth and power of God's Word comes vividly to life in a high-quality, full-color, graphic-novel style New Testament especially for today's visually focused culture. In this New Testament edition of the bestselling Bible, The Action Bible, kids ages 9 to 12, and adults who love graphic novels, encounter scripture in a fresh way as the people, events, and emotions it shares are visualized in 67 New Testament stories. Sergio Cariello offers years of talent and expertise as a graphic novel illustrator for top comic book companies to create contemporary art that speaks to children today. And careful attention to scriptural accuracy ensures a complete and trustworthy biblical overview. It provides a meaningful way for parents, grandparents, teachers, and church ministries to spark a connection with and love for God's Word.

Gr 4-6-Multiple readers bring 67 New Testament stories to life in this fast-paced production. Events from Jesus's life in the four Gospels and the birth of Christianity in the Book of Acts through the Book of Revelation are told in chronological order with references to their Bible book and chapter number. People of faith need not be concerned about this rendering of the New Testament-the stories are factual. Mauss has created a dramatic telling using popular vocabulary, idioms, and some slang that help to hold the attention of listeners. The print version (David C. Cook, 2012)

features bold illustrations by Sergio Cariello. This audio production can serve as an introduction to or synopsis for New Testament study.-Mary Lee Bulat, Harwinton Public Library, CTÂ Â (c) Copyright 2011. Â Â Sergio Cariello displayed his gift for art from early childhood, when his pictures decorated anything he could find from napkins to church bulletins.Â Â He attended the Joe Kubert School of Cartoon and Graphic Arts and the Word of Life Bible Institute, and later worked for DC Comics and Marvel Comics. Sergio Cariello grew up in Brazil and now resides in Holiday, Florida, with his wife Luzia.

I gave this book to my son for his 8th birthday and he has absolutely loved it. Over the next several weeks he read it cover to cover and really enjoyed talking to us about what he was reading. Though he has been going to church all his life and has been hearing stories from the Bible at bedtime for most of his life, as he read the stories in this book they were really sinking in. He has happily reported to us all of the stories he has been reading, and it's almost as if he is learning them for the first time! It's really fun to see his excitement about reading this book, and I couldn't be happier with this purchase. I now plan to purchase more of these books to give away as presents to my younger nephews.

My husband and I bought this Bible for our son's 2nd birthday and we have all enjoyed reading it. The illustrations are beautiful, bringing to life the characters and settings. The stories are presented in chronological order, which helps all readers gain a better grasp of God's plan.*The description is misleading in saying that this is a "companion" to the Action Bible. The Action Bible (which we also purchased) contains both the old and new testaments.*

The New Testament Stories in artistic cartoon format for kids and teens.My 5 year old son loves his Action Bible's and I read to him from them every night at bed time.While there is some artistic license in wording of the stories, it's true to the Bible and contains very high quality artwork.This is a soft cover edition unlike the bigger old testament Action Bible which is Hard Cover. But both are done very well and I'm glad I have them.These are great for getting kids interested in the Bible, and great to read to your children at bed time or any time.

My 8 year old son reads this for fun! We frequently have to tell him to quit reading the Bible and go to bed. He has gained a great overview of the Biblical stories and message on his own and knows quite a bit more than he has been taught in Sunday School. I think this format is especially appealing to boys because of the great stories of heroism that lend themselves well to the graphic novel format. My son is now asking for a "real" Bible of his own to read. What more could a parent ask for?

Fantastic !! I buy these for my daughter who teaches juveniles in our county jail. She gives these to her students. A real blessing for my wife and I, and helpful for saving young wayward minds.

Kids look for this every single day and read if not 15 minutes, for hours. Couldn't be happier with this purchase!

Great for children 4th grade and up. Makes the New Testament come alive. I gave to middle school boys who come to church without their parents and are learning.

Bought for a teen I know to provide her with more scripture based knowledge of Jesus. She doesn't have a Bible so I got her one as well. I'm hoping the illustration and text keeps her excited enough to read this book and gives her the confidence to read the actual Bible and understand it better.
