A Tree Is Nice

Synopsis

Winner of the Caldecott Medal—“A radiant and buoyant picture book.” • The Horn Book *A Tree Is Nice* is a classic tale about the beauty of the everyday world. “Simont’s watercolors perfectly complement the poetic simplicity of the text, allowing the reader room to engage in his or her own imaginative embroiderings about trees” (Children’s Books and Their Creators). Trees are beautiful. They fill up the sky. If you have a tree, you can climb up its trunk, roll in its leaves, or hang a swing from one of its limbs. Cows and babies can nap in the shade of a tree. Birds can make nests in the branches. A tree is good to have around. A tree is nice.

The Caldecott award-winning book that speaks simply and elegantly of the many pleasures a tree provides. Ages 4-8. Copyright 1987 Reed Business Information, Inc. --This text refers to an out of print or unavailable edition of this title.

“This is one of those books which prick a child into a realization of the beauty of the everyday world.” (The New York Times) “A radiant and buoyant picture book.” (The Horn Book)

I got this for my niece's 6th birthday. I love the story and the illustrations. This book is outstanding. I'm going to order a few more. Hopefully this author and illustrator have other books too.

The book is great and the delivery and condition of the book were awesome. Thank you!

I love this book. I've been reading it since I was a child and now I read it to my grandchildren. Simple message. Beautiful art.

Sanity regarding trees for a tree hating world

Wish I had purchased the hardcover. The words complement the illustrations wonderfully!

It was a gift for my great nephew and it arrived the day his family was visiting! I was disappointed that it did not have the Caldecott medallion which I thought a bit strange.

Book did not have the Caldecott award emblem on it and seemed like a much older edition. The cover was all green and worn around the edges.

Talks about all the things a tree is used for. Could be used to many different lessons.
