Must have in your adult coloring book collection! Well drawn art work and will keep you laughing!

Love It!

Love it and it is funny and fun to color!!

If you want to feel good about yourself and swear too, this is the book for you! As the title shows, it is, as it says, an uplifting swear word book. As you read the phrases and see the wonderful pictures to color, you can't help but feel better. I highly recommend this book to all women age 17 and up,

Love this book! Lots of cute phrases which won't let write them even with making an edit to the

word. It may be a swears book, but the phrases are inspirational and drawings are beautiful. Thiago is an amazing artist. I own several of his books & he is one of my favorites.

Just a fun coloring book!

My mom loves it! This was the only non-derogatory swear word book I could find, and it's awesome.

Absolutely fantastic! Easy to color, fun to say out loud!

This is such a perfect gift!
