Civil Procedure: Cases And Materials, 11th Edition (American Casebook Series)

Synopsis

The Eleventh Edition of this popular casebook provides a framework for studying both the essential and the cutting-edge issues of civil procedure while incorporating problems that test doctrinal understanding, foster case reading skills, and encourage a sense of litigation strategy. New Supreme Court cases have been integrated that impact personal jurisdiction (McIntyre, Goodyear), subject-matter jurisdiction (Grable, Gunn), pleading (Twombly, Iqbal), joinder (Pimentel), class actions (Dukes), and other important topics, including statutory changes such as the Jurisdiction Clarification Act. The casebook covers all of the major topics that a professor might wish to teach in a first-year course, and can easily be adapted for courses of one- or two-semesters, of different credit hours, and with varied practical or theoretical emphases. A supplement includes all updated Federal Rules, the pleadings in Twombly and Iqbal, a model case file, state materials, and other important teaching tools.

Book Information

Series: American Casebook Series

Hardcover: 1367 pages

Publisher: West Academic Publishing; 11th edition (June 27, 2013)

Best Sellers Rank: #21,911 in Books (See Top 100 in Books) #14 in Books > Law > Rules & Procedures > Civil Procedure #224 in Books > Textbooks > Law

Customer Reviews

This book came torn at the seams.

The book was supposed to come as "very good," but I wouldn't quite give the book I received, that much credit.

Horrendous. This book was detached from the binding with pages falling out. Had to return it. Really disappointing.

Helped me realize I don't want to be a lawyer...but by then it was too late.

EXCELLENT BOOK

The book is in very good condition. Fair price and expedite service. Thank you!

I rented the book and it came in good condition. There was a pretty substantial amount of highlighting and notes in the margins of the book. Some of it was helpful, but sometimes it seemed that the previous owner was just highlighting everything. If that sort of stuff bothers you, I'd recommend buying it new.

Book is fine but came in poor condition from seller.
