Customer Reviews

This book has a wealth of information and gives easy to understand explanations as what is best to put in your body and what to stay away from. Really great book on ketogenic diet for beginners. It contains all the necessary information needed to understand this diet. It discusses the benefits that this diet could give. And it provides a step by step guide how to do it effectively. It also provides recipes that are very easy to prepare and very delicious. This book is really very helpful book.

I should say this is an awesome recipe book for the ketogenic diet. Recipes are very elegant and easy to cook could really solve the problems of cooking ketogenic friendly food everyday all I have to do is make the ingredients ready and create a perfect plan in advance. The author also described taking the mental preparation of following this diet and I think I can do it with this delicious recipes.

Losing weight is not that easy but after reading this ketogenic diet guidebook I've learned a lot of recipes that can help me lose weight and a huge amount of knowledge on how to get started in a diet that can surely give me good results and achieve the body that I desire. I would suggest this book not just for the individuals who need to misfortune weight however for any individual who needs a healthy life.

It is a great book about Ketogenic Diet. This book contains all the necessary information needed to understand this Ketogenic Diet. I think It really great book on Ketogenic Diet for beginners. This book is very helpful and useful book. Highly recommend it.

The ketogenic diet is aimed at causing a shift in the body's utilization away from glucose to fats. It can help our body to burn fats rather than what it is normally used to sugars. The recipes that have been provided in this book are ketogenic diet friendly.

This book has a ketogenic diet friendly which the recipes can be found in your nearest market there is. These recipes are not only easy to cook but taste wonderful too which is great to have in our kitchen as well.

I'm glad to have a copy of this Ketogenic lunch break recipes that fits for healthy lose weight . It has a delightful taste, especially the Seafood Omelette.

It is quite a nice book about Ketogenic Diet. Gives good information about what really ketogenic is and how it works. The recipes are easy to cook and taste good.
