Many of us are stuck with debt collectors calling, writing and some even resort to threats. If you are dealing with these issues this book will help you in so many ways. This book by Netiva Heard is a blessing and help you with your journey not only trying to rebuild your debt but stop debt collectors in their tracks from being such a nuisance in our lives. This is a great book and I recommend this book because it will help you in so many ways when dealing with collection agencies. Definitely a must have!!!!I purchased this E-Book at full price.

The book was truly amazing, easy to read. The material that Netiva provided in the book is beneficial, along with resourceful for any person that needs assistance with collection agency. The book is a must buy, you can also go back and read it again, when ever you might get into a situation. Netiva's book personal helped me out with a collection agency, I am thankful to her and blessed for the knowledge she provide the readers. I recommend that people get the book, its a collectable item

I just finished reading the kindle version and found it to be well written and informative. I also follow Netiva on social media and am looking forward to putting her advice into practice. Having the resources, including consumer protection laws, at your fingertips will make the process of dealing with debt collectors easier. Several example letters are included in the book and should be particularly useful.

This book is amazing! It is easy to read and covers the most wanted topics to start a clear path to better credit. The strategies are easy to understand and are motivating. Just when you thought there was nothing that could be done, this book opens doors and opportunities to face accounts in collections! Loved it!
