Deep Penetration (Alien Breeders, Book 2)

Synopsis

What began as a determination to bend her to their will and have her behave in a manner acceptable as a slave of the Anunnaki became a desperation to protect the woman who enthralled them. Other titles by this author: Alien Breeders II: Deep Penetration Alien Slavers: Breaking Brandi (COMING SOON) Alien Slavers: Taking Tilly (COMING SOON) The Assassin's Blade Atalantium I: Bride of Atlantis Atalantium II: Neptune's Daughter (NOW AVAILABLE) Atalantium III: Maiden of Atlantis (COMING SOON) Babylon: The Rebel's Woman Beastmen of Ator: Alien Abduction Below Breeder Breeder Project Chaos Forged Children of Andromeda: Lords of the Sea The Claiming Conquest Earth: Prince Galen Cyberevolution I: The Awakening Epilogue (FREE) Cyberevolution I: The Awakening Cyberevolution II: Total Recall Cyberevolution III: Abiogenesis Cyberevolution IV: Cyborg Cyberevolution V: Illumination Cyberevolution VI: Cyborg Nation Cyberevolution VII: Rules of Engagement Dark Abyss Dark Solstice Discovery: The Forgotten Dragonlord Dragons of the Dawn Enslaved I: Genesis Enslaved II: The Spawning Enslaved III: The Gladiators Exiled Forest Whispers The Gate Genus-Unknown: Adaptation Guardian of the Storm Ja-Rael's Lioness Lawgivers: Gabriel The Lion's Woman Lords of Mayhem Mirror, Mirror: A Real Man New Earth Colony I: The Barbarian Prince (COMING SOON) New Earth Colony II: Warlord (COMING SOON) Night Raven The Ninth Orb The Portal Return to Eden Tears of the Dragon Twilight's End Venus Rising The Watchers I: (NOW AVAILABLE) The Watchers II: Exiles (COMING SOON) The Watchers III: Starchildren (COMING SOON) When Dawn Breaks When Night Falls Wrong Number (FREE) Yar and the Orgasmizer 9000

Customer Reviews

I normally like this author's writing and I was hoping that this story would be as good as the previous ones that I have read from O'Connor. The plot started off being very engaging by mixing a little bit of mystery with the right balance of sexual tension and emotional development between the female lead, Emerald, and the two alpha/beta male leads. The sex scenes or "torture" scenes are in the BDSM genre, which I normally really like when done well, but the sex torture that was inflicted on Emerald was frankly quite boring because it was pages and pages of similar scenes and dialog between her and her two male leads. The sex scenes, although titillating on a basic level, did nothing to further the emotional connection between the characters. Yet towards the end of the book, the reader is supposed to believe that the seemingly never ending sexual torture that Emerald endures causes her to fall deeply in love with the two guys that are torturing her to the point that she willingly pops out a child for each of them. This is all of course despite the fact that during most of the book Emerald wasn't allowed to carry on a meaningful conversation with either of the guys. Honestly, of all of O'Connor stories, this female lead is the most groveling and pathetic excuse for a heroine that I have ever read. It's a shame too because Emerald had all the ingredients of a female character that was strong enough to handle some good alpha/beta male action, but Emerald was far too wimpish and she didn't give back as good as she got enough to make this story sexy and exciting for me.

There good scenes and bad. This book won't be for everyone. The characters were a little stiff at the beginnings. The story opened up as it went on.

I liked the story, but found a lot of typos on the last half of the book. I think the author nailed the behavior of two males with no clue as to how to "discipline" a naughty female. The banter between the two males made me laugh.

Endless robotic sex scenes purely from the males' perspective repeated again and again, along with monotonous dialog between the two males describing the monotonous repetition of what they are doing to the female character. Tedious.

I was intrigued by the plot and cover picture of the book - there's something wickedly erotic about the two gigantic males and a tiny petite female. And boy, was I right! The plot was very mysterious and engaging, leading you quickly to the developing lust/romance that flared between the trio. While this isn't technically a menage a trois but in many foreplay scenes, you will find the three of them together. The sex part is tilting on BDSM, so you must have an open mind when reading about the "tortures" inflicted on Emerald, the name of the female protagonist. Personally, I don't believe it's possible to keep someone in a lust-crazed state for days and weeks on end without some kind of relief - it borders on pain to read what Emerald endured. Story wise, I think it is too saturated with the "torture" scenes, too overplayed, and almost too predictable, that it became a little exhausting for the reader. But if one is looking for a good read to help warm things up and get frisky between the sheets, this is the sure-fire book! I was turned on as hell, and had to take a cold shower after. So you decide if this is your kind of thing.

I bought Deep Penetration for two reasons 1: it was cheap, 2: the story sounded interesting. I've read books from this author before but this was not her best work. The story concept was good but the execution left me wanting to scream. The Anunnaki are just as petty and arrogant as the gods from Olympus. There were at least fifty pages covering Emerald's "discipline" that should be taken out of the story because it seems to go on and on and on. I mean really these two torture her for hours, barely talk to her and she falls in love with them. I'm glad that at the end of the story she regains her strength. However, this is a surprise twist. Emerald ends up with three husbands not two. Don't pay much for this book.

This was a wonderful story. The author kept the story captivating. Sex was good, but not the only storyline. Loved the book!

Good, typical Kaitlin O'Connor alien tale.
