Review Pretty New Doll BENNY IS BACK, BACK, BACK!!! And I LOVE

IT!! I know he's bad, I know he is not right but I. DONT. CARE....

These authors are the bomb, they give us Benny and in a full shocking comeback. Like always is

very well written with the right amount of craziness that the authors exposed is just perfect for my word mind. The story is beyond dark with the perfect angst and emotions and you will love every single moment. We connect with the new Benny and he doesn't disappoint at all, we see how it is and the story will keep you hooked from the beginning till the end. Hands down once again for the best ladies of the dark world and for bringing Benny back! PS..... GIVE ME MORE, MORE, MORE

What can you say but just WOW. K Webster and Ker Dukey are fantastic writers all on their own but when you put the two of them together on a book you have a powerhouse writing team. We are now at book three in this Amazing series and the twists and turns will have you gasping out loud, yelling at your kindle but once and for all you think you have it all figured out and then bam you never see anything coming. Benny Benny Benny there are no words for this man. You may question your own sanity when you are basically cheering him on no matter how crazy and out of this world this man is. All I do know is that not only this book but this whole series will take you on one incredible mind blowing ride but one you don't want to ever see end.

I loved this book...couldn't put it down! I love dark/suspenseful reads and this one is amazing. I would consider this a 4 of 10 on the darkness scale. It's more suspense than anything. I always root for the bad guys (don't know why) but I fell in love with Benny in this book. I am rooting for him to get his really dark HEA. It's definitely kind of twisted but it's fiction. When I read *Pretty Stolen Doll* it was my first read by these authors and I instantly wanted more. Great job and yes this one does end in a cliffhanger. I don't mind cliffhangers as long as we don't wait forever for the next book and from what I gather it will be sooner rather than later.

HOLY COW!!! This book was totally crazy. It was dark. It was bloody. It was intense. It was AWESOME!!! This book is different than the last two because there are new players in the game, but trust me, you won't believe the connections that are revealed in this book. I don't want to say too much and give away any big details, but I will say that you DO NOT want to miss out on this book. Ker Dukey and K. Webster outdid themselves on this one. How in the world they come up with this stuff is crazy. I would love to see their internet search history.

Twisted, dark, sexy, psychopathic, and Benny. Webster and Dukey did it again. This book is flawlessly done and you truly don't know who wrote what. This book is about our beautiful twisted

psychopath Benny and his quest for the perfect new doll. Benny is as twisted as before and we get to see inside his head. Benny doesn't disappoint and his inner workings are a dark romance/ dark readers dream. Well done, ladies. I can't wait to see what these two come up with next.

Fool me once Benny, shame on me. Our little 9 life cat is back from the dead and ready to play with some dolls. But who will his Pretty New Doll be? Guess you'll have to read to find out... Pretty New Doll is dirty, gritty, ugly and insane. It's also so very well written that you are completely sucked into this world, this scary and fascinating world. We meet new characters that I completely fell in love with. PND is just so perfect, not a damn thing I would change.

Pretty New Doll is pretty twisted! Benny is back and boy does he know how to make an entrance. This book was dark, taboo, delectable, disturbing and captivating. The story is fresh and the writing was creative. In this one I found myself oddly attracted to Benny. I don't know how these authors managed to top the last book, but they did. I can't wait to see what Ker Dukey and K Webster come up with in the conclusion to this dark and seductive series.

As readers and lovers of Benny, we beg for more. More. More. As always with Ker Dukey and K. Webster, we get more than we bargained for. For. For. Benny has survived and thrived with the help of Tanner. When they are both set on being the Master, someone else sneaks in and steals Benny's New Doll. Now here we are again, waiting to see how Benny will settle the score. Score. Score.
