The Great Himalaya Trail
Running the entire 4500 km length of the Himalaya via Bhutan, Nepal and India, The Great Himalaya Trail is the world's longest and highest walking route. The author is the first person to plot and describe the complete route; the 160-day Nepal section is included here. It winds through all of Nepal's regions following main trekking routes linking these using local trails.

Excellent book with practical applicable information

Great book. Lots of information I need to plan the trip.

Eh. 2-3 pages on the area I'm trekking out of several hundred overall. Feeling like I'm paying a lot for info I will never use.
