Index Of Watchtower Errors 1879 To 1989

Synopsis

Teachings of the Jehovah's Witnesses and how they differ from historic Christianity are documented in this study of Watchtower publications from 1879 to 1989. Helpful for having profitable discussions with Jehovah's Witnesses.

Customer Reviews

Great info and easy to verify records.

In May of 1943, at the New York Supreme Court, former Watchtower attorney Olin Moyle, successfully sued The Watchtower Bible and Tract Society for slander. While under oath, the then President of the WTBTS, Nathan Knorr, testified that the JW magazine (The Watchtower) is presented to the public as "God's Word...without qualification." (Court Transcript, Moyle vs. WTBTS, p.1474) In the same case, Frederick Franz, who succeeded Knorr as President of the WTBTS, testified that "Jehovah God" was the Editor of the Watchtower magazine "since its inception." (Court

Transcript, pp.795, 866)In addition, The Watchtower magazine claims to be the ONLY channel through which God communicates His truth to the world. (WT, 4/1/1919, p.6414; WT, 1/15/1917, p.6033) Emphasizing that it does not interpret what God's truth is, but merely puts in writing the truth that God delivers to the world through them, and only them! (WT, 1 July, 1943, p.203; WT11/1/1931, p.327; WT, 1/1/ 1994, p.6) Fortunately, God gives us a few tests to apply to anyone making claims as radical as the WTBS and The Watchtower magazine.Deuteronomy 18:20-22 and 13:1-4 give two tests for distinguishing between genuine Prophets of God and False Prophets. (1) If one prophesies in God's name and what they predict does not come to pass - they are a False Prophet. (2) If they're prediction does come to pass, BUT they teach you to follow after false gods - they are a False Prophet. Thus, recognizing False Prophets is achieved by simply applying these tests to the teachings and prophecies of the WTBS.Tragically, everything they have ever predicted has FAILED to come to pass. "Judge" Rutherford (2nd leader of WTBS) wrote a booklet in 1920 entitled "Millions Now Living Will Never Die." On pp.89-90 Rutherford predicted that in 1925 Old Testament Saints and those listed in the New Testament book of Hebrews chapter 11 would return bodily to live once again on the earth to rule over the New Kingdom of God they would inaugurate, stating, "...Therefore we may confidently expect that 1925 will mark the return of Abraham, Isaac, Jacob and the faithful prophets of old, particularly those named by the Apostle in Hebrews chapter eleven, to the condition of human perfection." Needless to say, Abraham, Isaac, and Jacob are still dead and did not return in 1925."Judge" Rutherford taught that in 1914, 1918, and 1925 all governments of the world would be removed and God's Kingdom would replace them as the governing body. (Studies in the Scriptures, Vol.2, early editions, pp.76-78; 98-99; Studies in the Scriptures, Vol.7. p.62; WT, 7/15/1924, p.211)When each year came and went without fulfilling Rutherford's prediction, he had the temerity to write in his book "Vindication" that "God's faithful people" (NOT Rutherford himself) made false predictions that did not come true, stating, "God's faithful people on the earth emphasized the importance of the dates 1914 and 1918 and 1925. They had much to say about these dates and what would come to pass, BUT ALL THEY PREDICTED DID NOT COME TO PASS." (Vindication, Vol.1, p.146) Furthermore, in his book "Light," he wrote that making false predictions is proof positive that someone is a FALSE PROPHET, Rutherford stating, "...their prophecies to date have not come to pass; and that alone is strong evidence that they are false prophets." (Light, Vol.2, p.47) However, regarding all the previous false predictions he made in the official publications of the WTBS, Rutherford conspicuously failed to apply this standard to himself! Such egregious false predictions, followed by equally egregious cover-ups, rewritings of history, and misleading statements are common throughout the writings published by

the WTBTS. Their entire history is characterized by one false prediction after another. In addition, doctrines taught by WTBTS leaders as truth received from God, is contradicted by later leaders. Even though every leader involved claims to merely relay truth received from God. For instance, the founder of the Jehovah's Witnesses, Charles Taze Russell, taught for years that the Great Pyramid in Gizeh was designed, engineered, and supervised by God in its construction. In addition, he claimed that by deciphering its dimensions and passage-ways, one could unlock deep secret doctrines taught in the Bible. So much so that Russell called the Great Pyramid in Gizeh "The Bible in Stone." (WT, 3/15/1911, p.4790) In direct contradiction to Russell, the next JW leader, "Judge" Rutherford, taught that the Great Pyramid in Gizeh was not from God but instead was directly designed by Satan himself saying it was Satan's Bible, and not God's stone witness." In the same article, after some detailed explanation of some of the Pyramid's dimensions, Rutherford states that, "If the above calculations are correct, then such is further corroborative proof that the Devil himself superintended the building of the pyramid in Gizeh." (WT, Nov.15, 1928, p.344) Given the events above, it is abundantly clear that the Jehovah's Witnesses organization (WTBTS) is not the ONLY CHANNEL of truth used by God to communicate to the world. In reality, it is a FALSE PROPHET. Anyone can read and study the Watchtower Magazines from 1879 to the present and discover for themselves how deceptive they have been to their followers. This book catalogues the false predictions and contradictory doctrine of the Jehovah's Witnesses (WTBTS) from a former JW Elder. Reed (2) Jehovah's Witnesses: Their Doctrinal Changes and Prophecies Speculation - What Does the Record Show? by Edmund Gruss (3) Reasoning from the Scriptures with Jehovah's Witnesses by Ron Rhodes (4) 20 Questions Jehovah's Witnesses Cannot Answer by Dr. Charles Love.

An excellent and informative book. I couldn't put it down. Keep it handy for when that inevitable knock comes to your door.

Il nous donne des renseignements utiles sur une secte qui repose sur le faux et pire qui croit et continue à croire qu'elle est sur le vrai. A good work.

Very detailed which must have taken a lot of time. Very helpful in understanding how to research the JW beliefs.

Many Jehovah's Witnesses arrogantly scoff at any claim of there being proof that the Watchtower has lied to their members, or that they teach "twisted truth," or that they have proven themselves to be a "false prophet" more than once, nor do faithful Watchtower members believe that the fact that the Watchtower's own history of their switching back and forth on their teachings...recycling "Old Light" to now become "New Light," only to again become "Old Light," this being explained away as being "New Understanding"...is good enough evidence of the aforementioned. The Watchtower Faithful are taught to "defend the Mother," that is, when it is obvious that the Watchtower is simply flat-out WRONG, and the leaders then excuse themselves to their flock by "humbly admitting" that "they are only imperfect men" who "make mistakes." One can't help but wonder that if this is indeed so, then why is it that each and every member must faithfully believe what they are taught by the Watchtower, humbly obey the Watchtower, and loyally follow the Watchtower without question...or else... And why is it that if a member decides to leave, he or she must be now SHUNNED by their family and so-called "friends" in the Watchtower; now forever being branded as a "wicked apostate," condemned by Jehovah God, and that to have anything to do with this person is to risk being "destroyed" by Jehovah for associating with one who has "turned their back on Jehovah." This book, "Index of WATCHTOWER ERRORS" allows the Watchtower's own publications to speak for themselves. Can any Jehovah's Witness read Watchtower literature and call it "apostate literature," or, "lies from Satan?"
