I like the low carb diet, because all suits my body. Often I take books with new recipes. This book attracted me with front page, but when I leafed through recipes I realized that I have a real treasury of low carb recipes! Of course, some of them I immediately tried. This book is excellent because it contains proven recipes, the dishes are very delicious, the recipes are easy to follow, and most importantly, all the dishes are very healthy. My sincere recommended!

Low Carb recipes that were an excellent cookbook I've ever read. Delicious Recipes Inspirational Low Carb Recipes This is an amazing book for beginners. The recipes are easy to prepare and it has a clear and easy to understand instruction. This book is really a great resource for those who want to enjoy or prepare great and healthy meals for a family from simple ingredients.

I'm really happy because I took this excellent book for free. I love Low Carb diet, and more than two years, all meals that I prepare are by the principles of low carb diet. In this book I've found recipes for the whole year. Some of them I've tried, but I saw the others are too good mouthwatering. Indeed, a great book. Sincere recommended!

I have some good time with this great diet recipes book. This book is designed to take all the hassle out of low carb dieting by providing inspirational easy to make low carb recipes. The book is divided into four parts: breakfast, lunch, dinner, and snacks. Under each section, recipes are organized from the quickest total time to make, to the longest. Each recipes includes full nutritional information. The recipes in this book are so delicious, my whole family loves it so much. I suggest this book to everyone who loves cooking and dieting.

All in one piece. Appetizers, main courses down to desserts for at least a year were all laid down here. What makes this best among different diets is it does not deprive your taste buds regarding your food intake. You just have to be careful watching out for carbohydrates and you are on the right track. Lining up on the TO DO list!

This is probably one of the best low-carb books I've had the pleasure to read. I've learned so much and I recommend it for those serious about this way of eating. You will certainly have a delightful meal everytime because of the choices of recipes. A great addition to your library if you're dedicated to a low-carb lifestyle.

This is an interesting read the book is well written and recipes are easy to cook, the book is really low carb also these recipes are time saving. So this is really feasible for me because i ever face time problem due to my tough job thanks.

Very detailed cookbook about making low carb delicious recipes on kindle. Wow, i have made 2 out of the 365 recipes and i can say that these two were amazing. Thanks for filling our mouths with watter and our bodies with nutrients!
